Address:

513 Fisher Street

Price:

Free

It's getting that time of year when us hunters need to be thinking of our comfort while spending weekends at the lease hunting for that wall-hanger.

Renegade Portable Buildings can help you get just the right cabin to make your time in the woods almost as comfortable as home. The biggest limitation to the possibilities is your imagination. We have Lofted Barn Cabins and A-roof cabins of varying sizes...AND, if you like, you can choose the Rent-To-Own (RTO) option. There are electrical packages you can get with your cabin, or you can do your own electrical work.

If we can help you find the cabin to fit your hunting needs, give us a call at (318)215-6093.
